Foreword

The editors of the **WESTERN RESERVE LAW REVIEW** offer in this issue the fourth annual survey of significant developments in the law of Ohio. This survey covers cases reported during 1955.

Following the pattern heretofore set, this survey has been written by members of the faculty of Western Reserve Law School. The cases surveyed are those which appeared in the *Northeastern Reporter, Second Series*, between January 1 and December 31, 1955. Cases decided in 1955 but not reported in that year will be considered, if deemed important, in next year's survey.
